

Mahumda Islam Rifah

Date of Birth
17.01.2002

About me

Ambitious young soul, currently studying Bsc in Computer Science & Engineering (CSE). Trainer and sub brunch in charge of Fuler Mela National Child Organization. Social welfare Secretary at IIUC computer Club. A credible team member with a good adaptability nature, positive communication style, collaborating with team members to ensure the possible best output. Love to track down my dreams knowing that how tough it is. Have a enthusiasm for doing something right always. Can provide my all efforts if I am in love with my doings.

WORK EXPERIENCE

18/02/2024 – CURRENT – Dhaka, Bangladesh

UI/UX Designer Intern HEXEN

I am doing an internship at HEXEN as a UI/UX designer. I do my task with the Figma Premium version. I have almost one year of experience in this field

01/02/2015 – December 2021 – Noakhali, Bangladesh

Sub Brunch in Charge Fuler Mela National Child Organization

We are working for impoverished female students and children. In our country still there are many families covered with a lot of superstition and they do not want to give proper facilities to their female child.

01/01/2014 – CURRENT – Noakhali, Bangladesh

Trainer and Sub Brunch in Charge

Alokito Angina

We are working for impoverished female students and children. In our country still there are many families covered with a lot of superstition and they do not want to give proper facilities to their female child. That's why we specially concentrate on female students to give them proper facilities and rights.
